Jesus and the Disciples

Several days after Jesus had died and risen again, Peter, John and several of the disciples were near the sea. Peter decided to go fishing, so the others joined him. They fished through the night, but as the morning got closer, they had not caught a single fish. They were near the shore when they heard someone call out, "Friends, do you have any fish?" They answered that they did not. The stranger called back that they should throw out their nets on the other side of the boat. They obeyed, and suddenly their net was so full of fish that they could barely pull them in. Then John called to Peter, "It is the Lord!" When Peter heard that, he jumped into the water and swam to shore. The others brought in the boat and the fish. Once they were on shore, they saw a fire going with fish and bread on it. Jesus asked them to bring over some of the fish they had just caught. Jesus then invited them to come and have breakfast with Him.

Do This!

I must first recognize who Jesus really is. Jesus is God. Jesus is the only way to heaven. Jesus gives me a purpose for my life. Jesus gives me power to live. If I haven't already, I can make a decision to have Jesus in my heart and follow Him every day of my life.

Practice Point:

I need Jesus in my heart
Recognizing Him as the boss of my life
Is where I really must start

Listen, and I will tell you where to get
food that is good for your soul.
